7. Additional resources

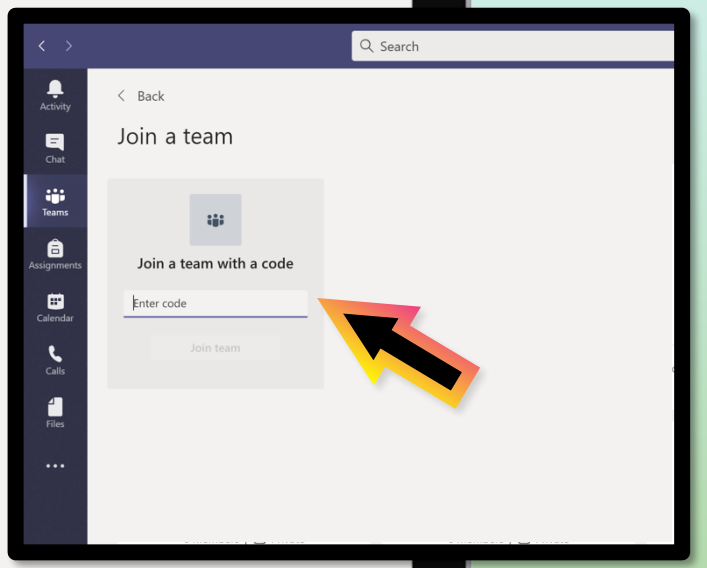

1. My student's login isn't working.

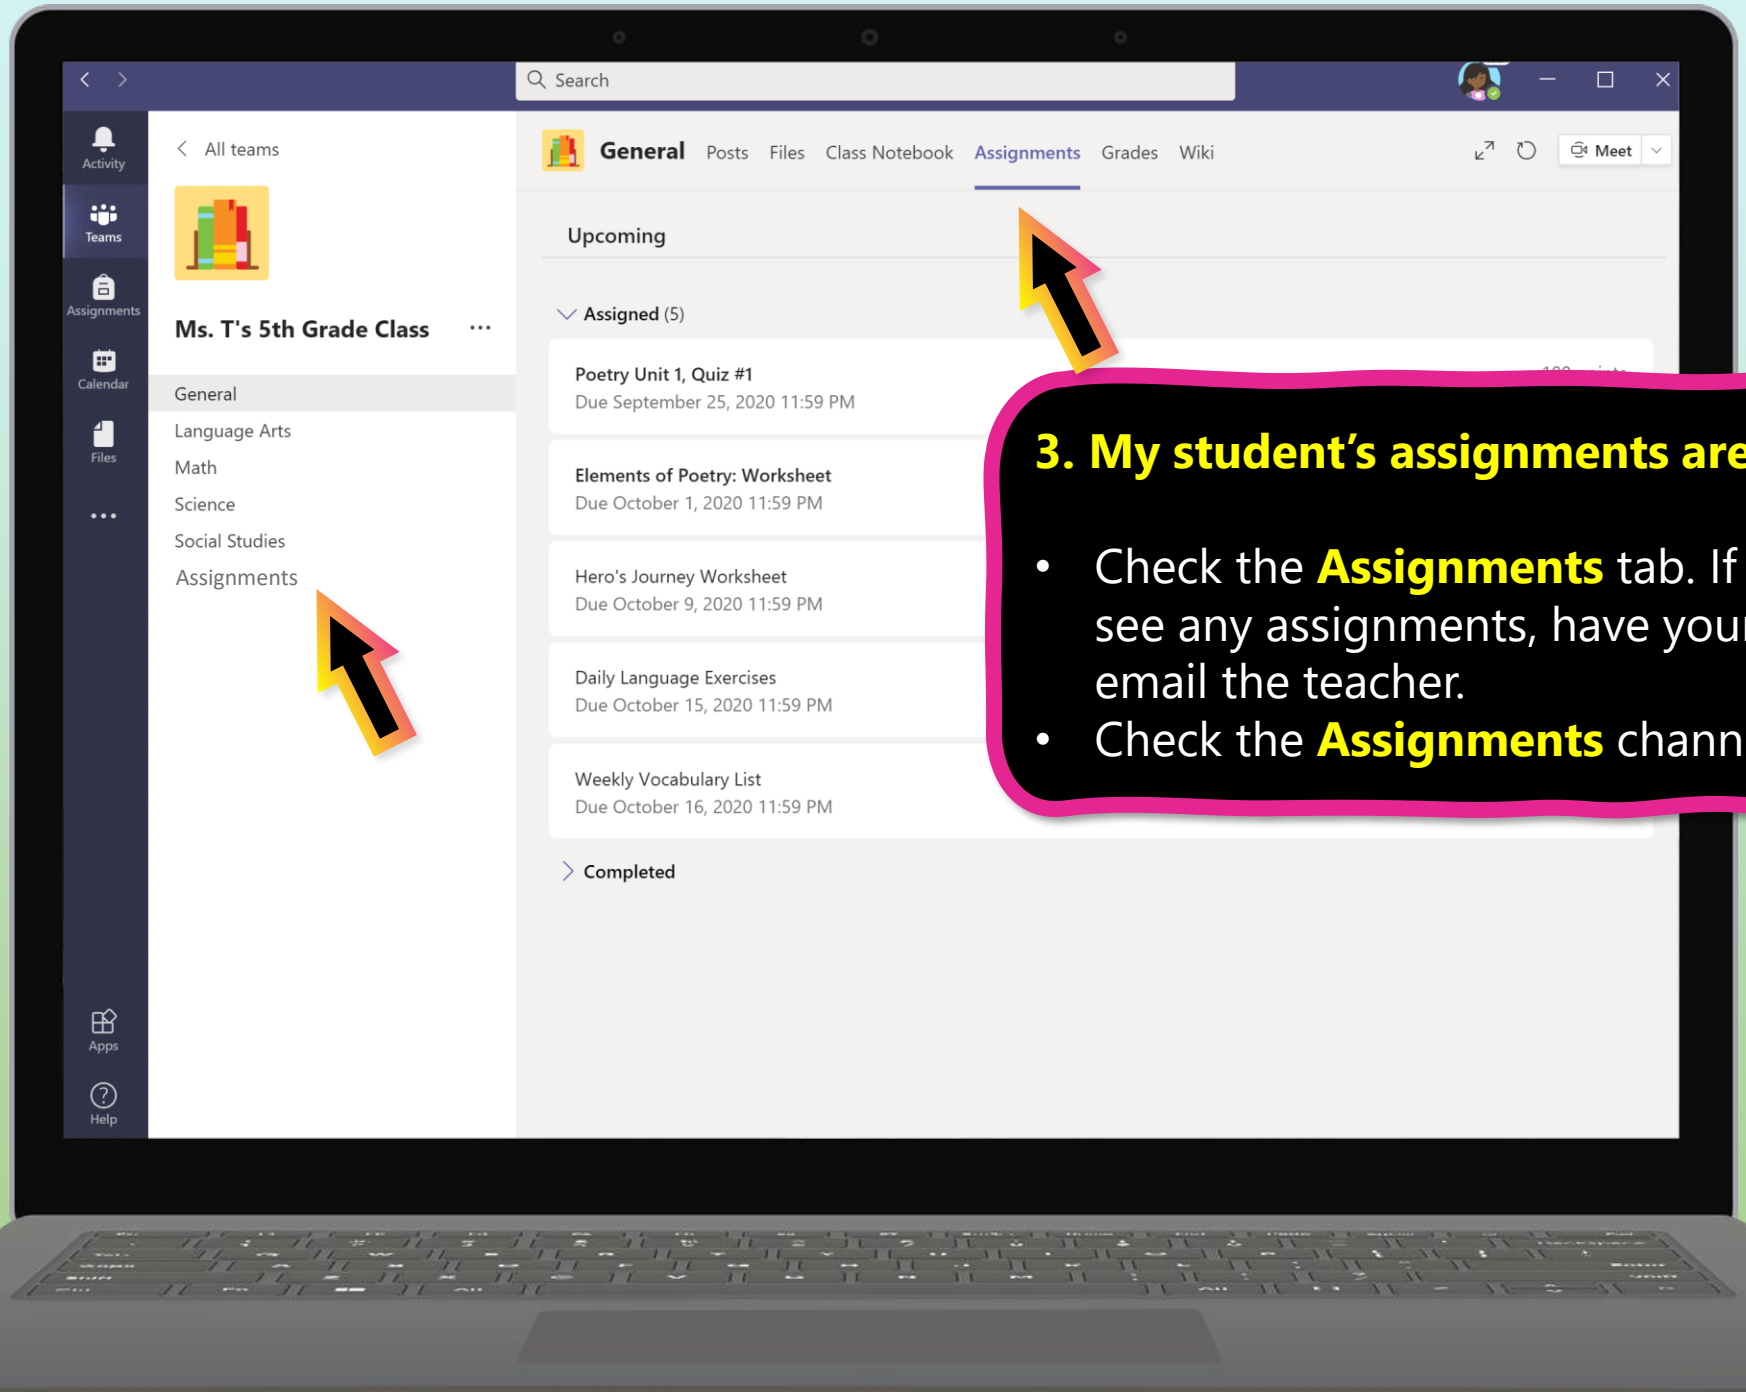

The login information may not be accurate or there might be some other issues with the accounts in your student's school. Contact GBOE Tech Support.

2. I can’t find my student’s class during set-up.

If you don’t see your student’s classes after you log in, the teacher may have invited you to join your class team with:

- Contact the class teacher to have the student added.

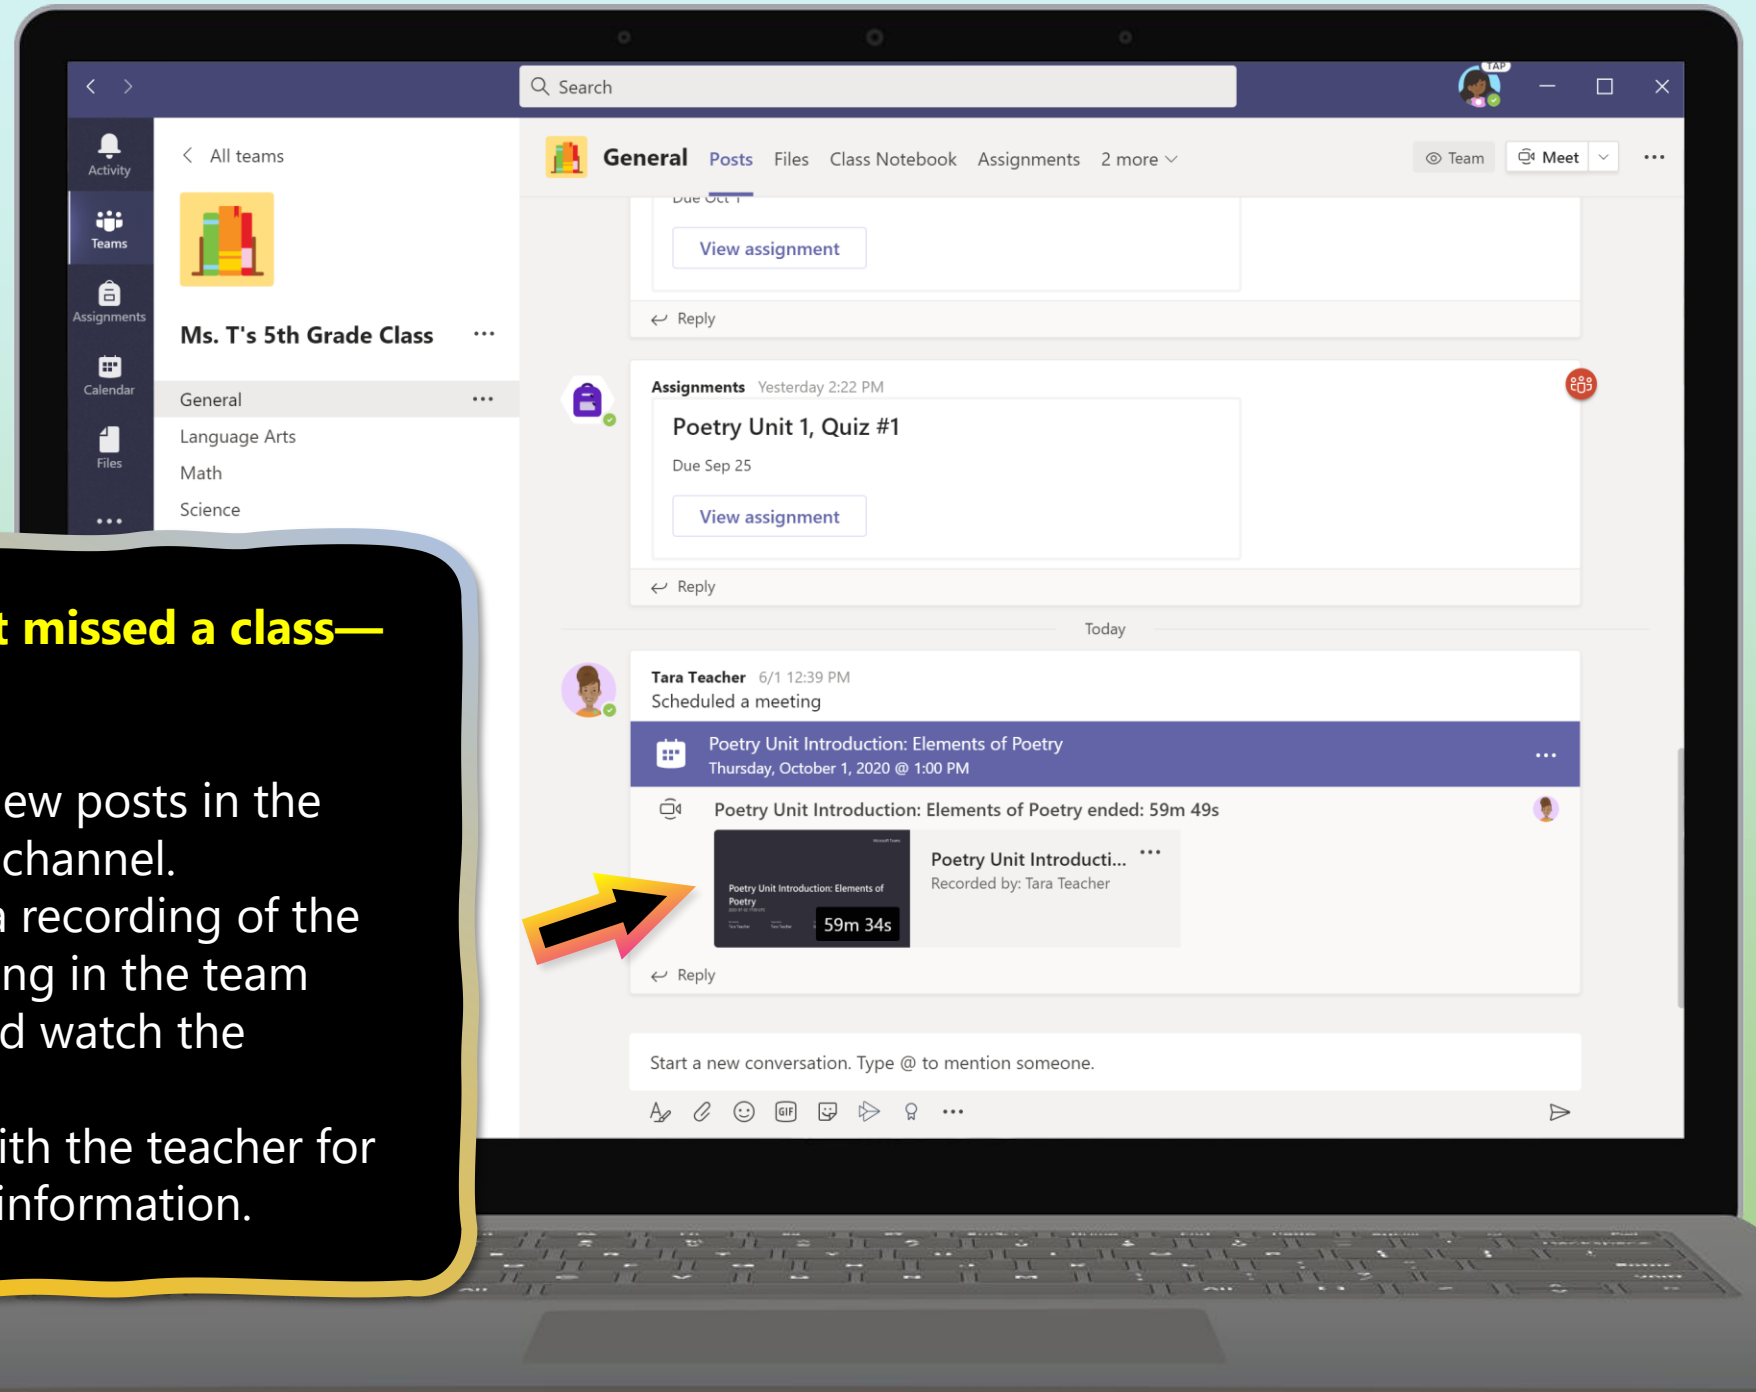

3. My student's assignments are missing.

- Check the **Assignments** tab. If you don't see any assignments, have your student email the teacher.
- Check the **Assignments** channel.

4. My student missed a class—what now?

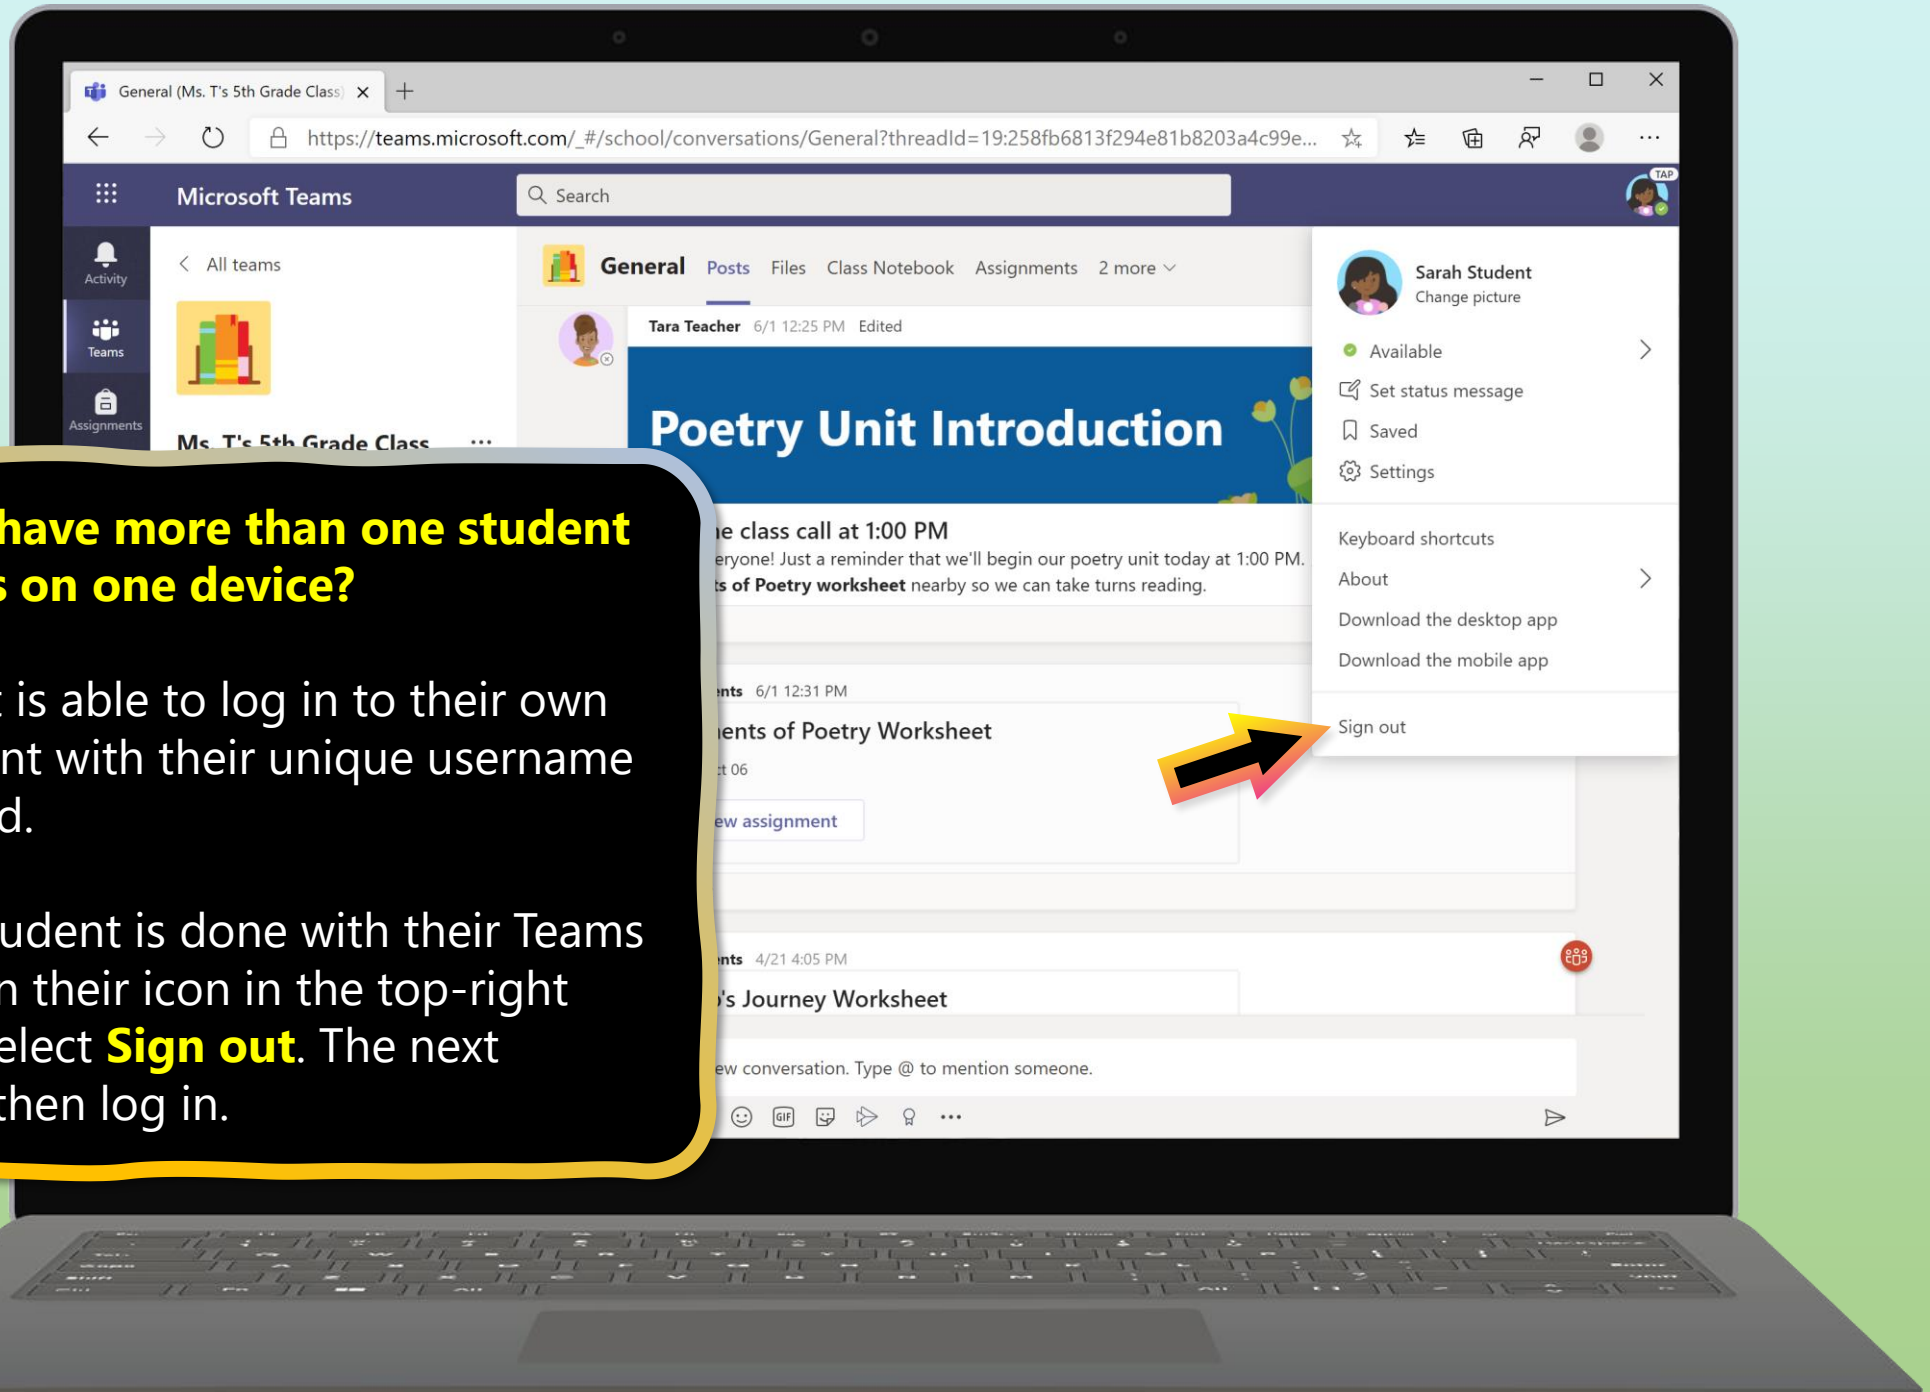

1. Read any new posts in the class team channel.
2. Check for a recording of the class meeting in the team channel and watch the meeting.
3. Check in with the teacher for additional information.

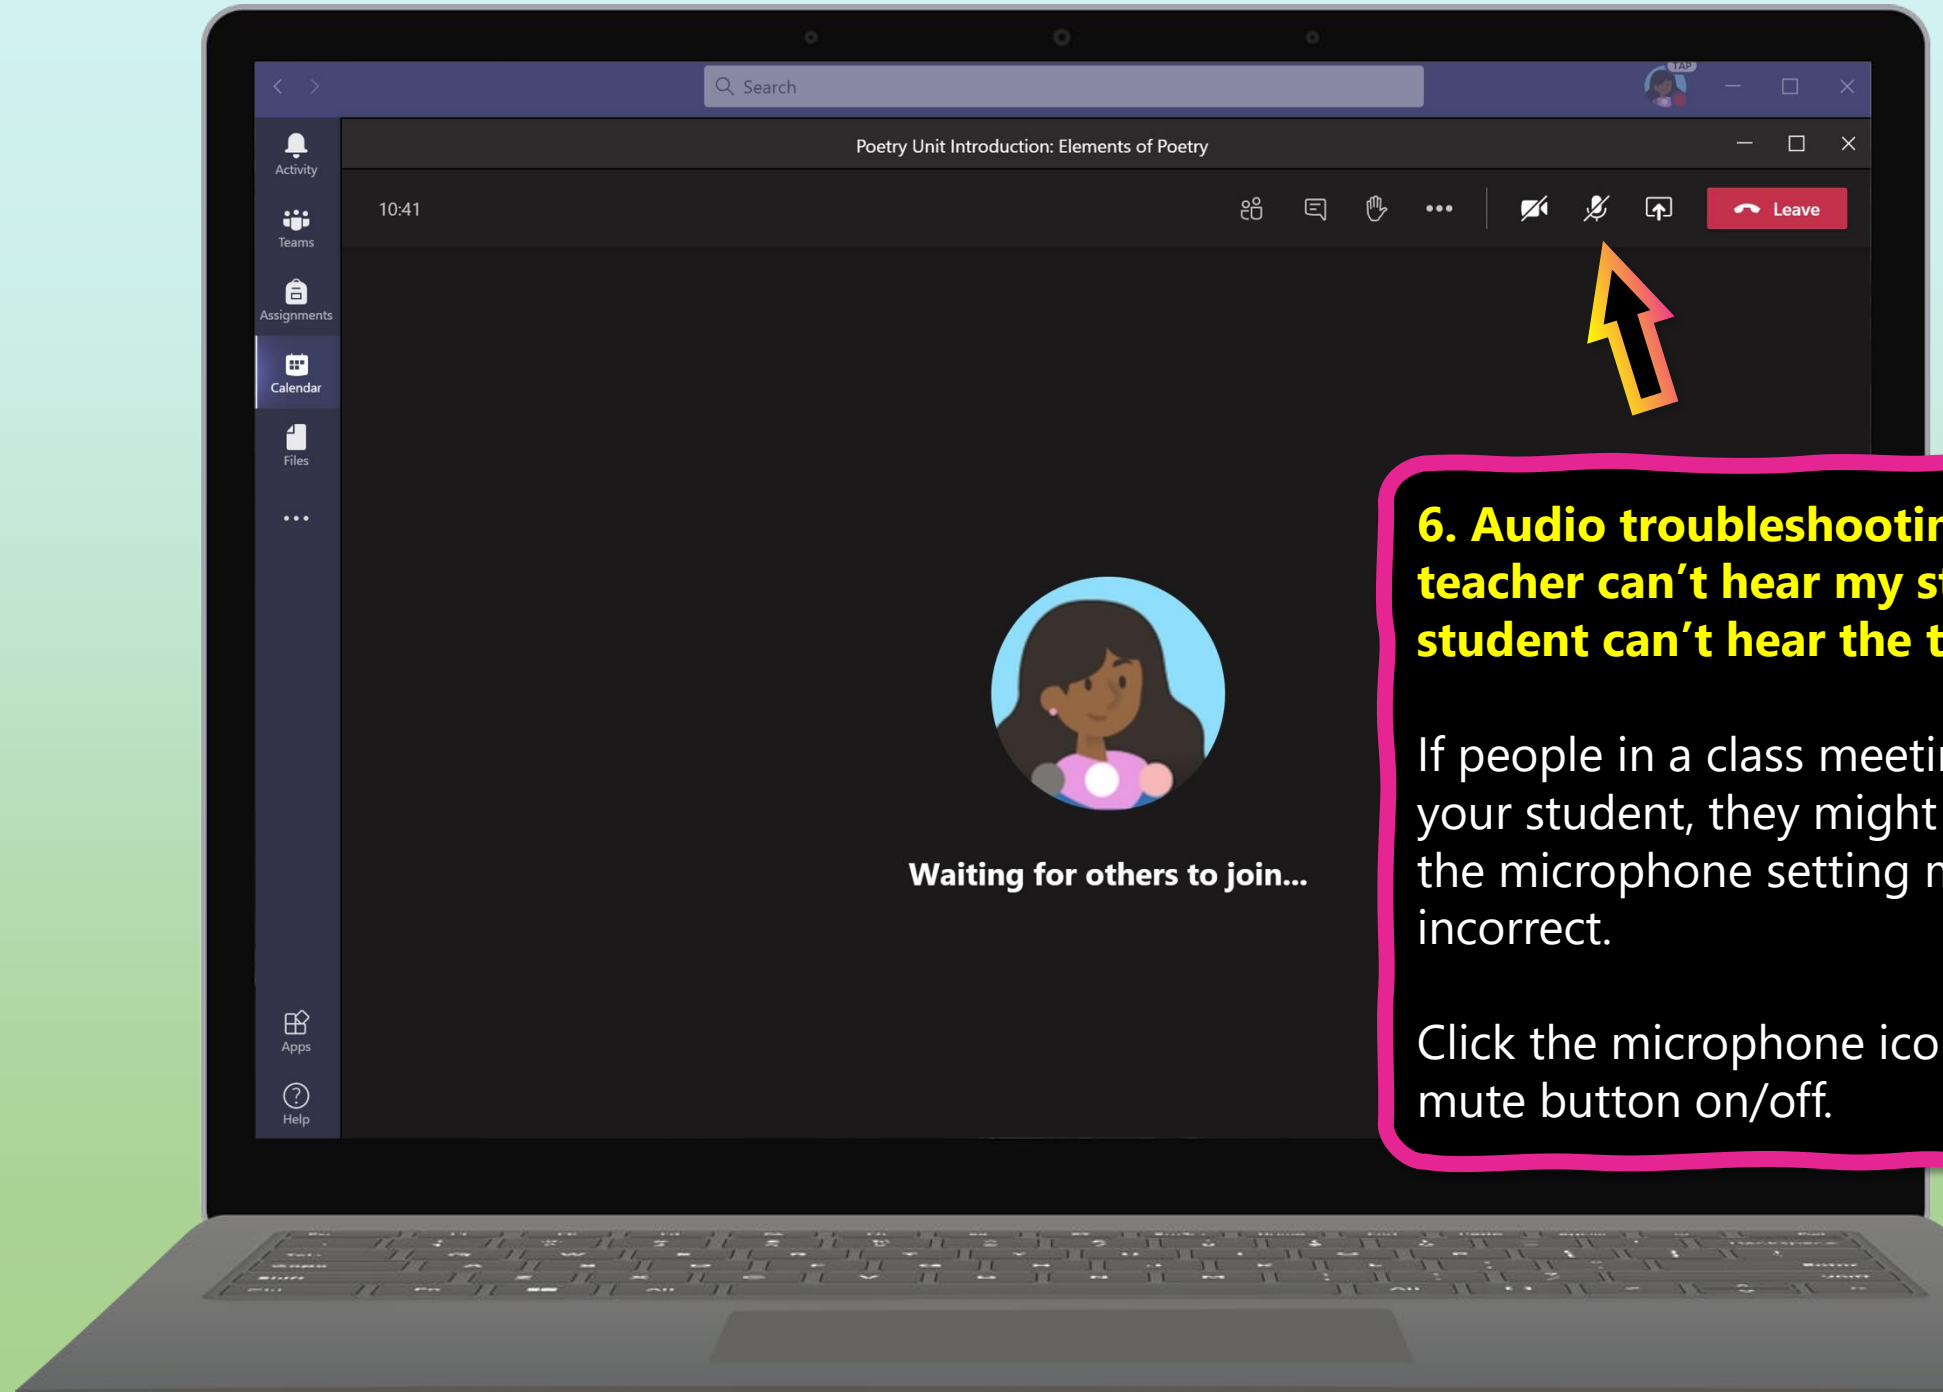

5. What if I have more than one student using Teams on one device?

Each student is able to log in to their own Teams account with their unique username and password.

When one student is done with their Teams work, click on their icon in the top-right corner and select **Sign out**. The next student can then log in.

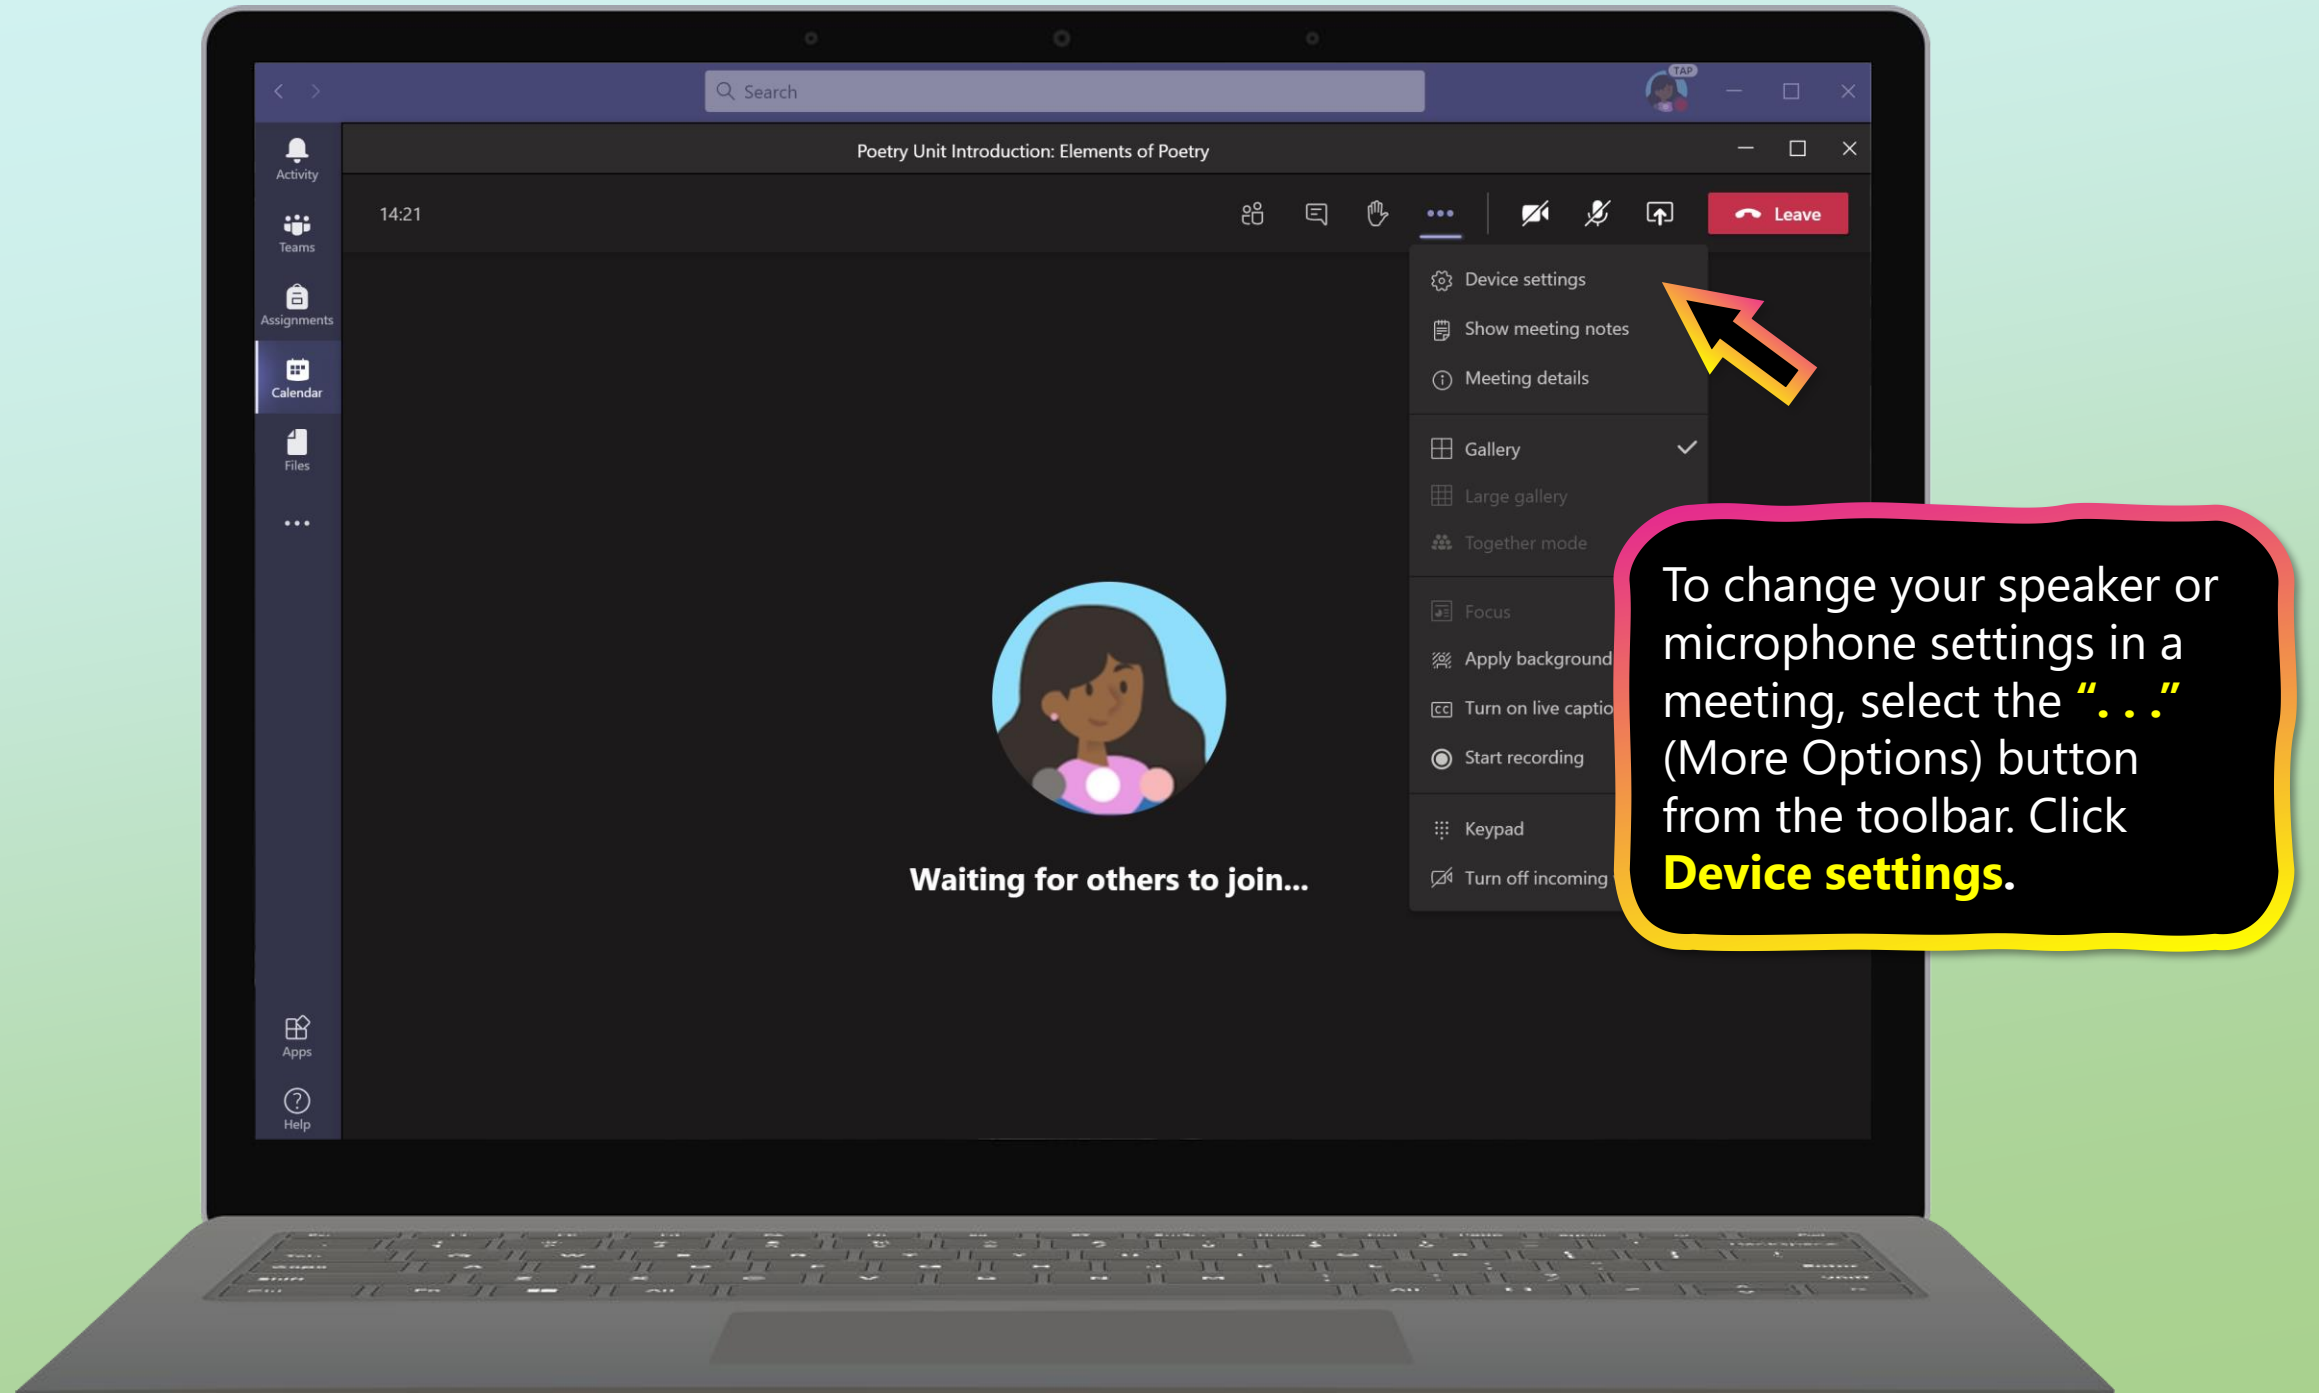

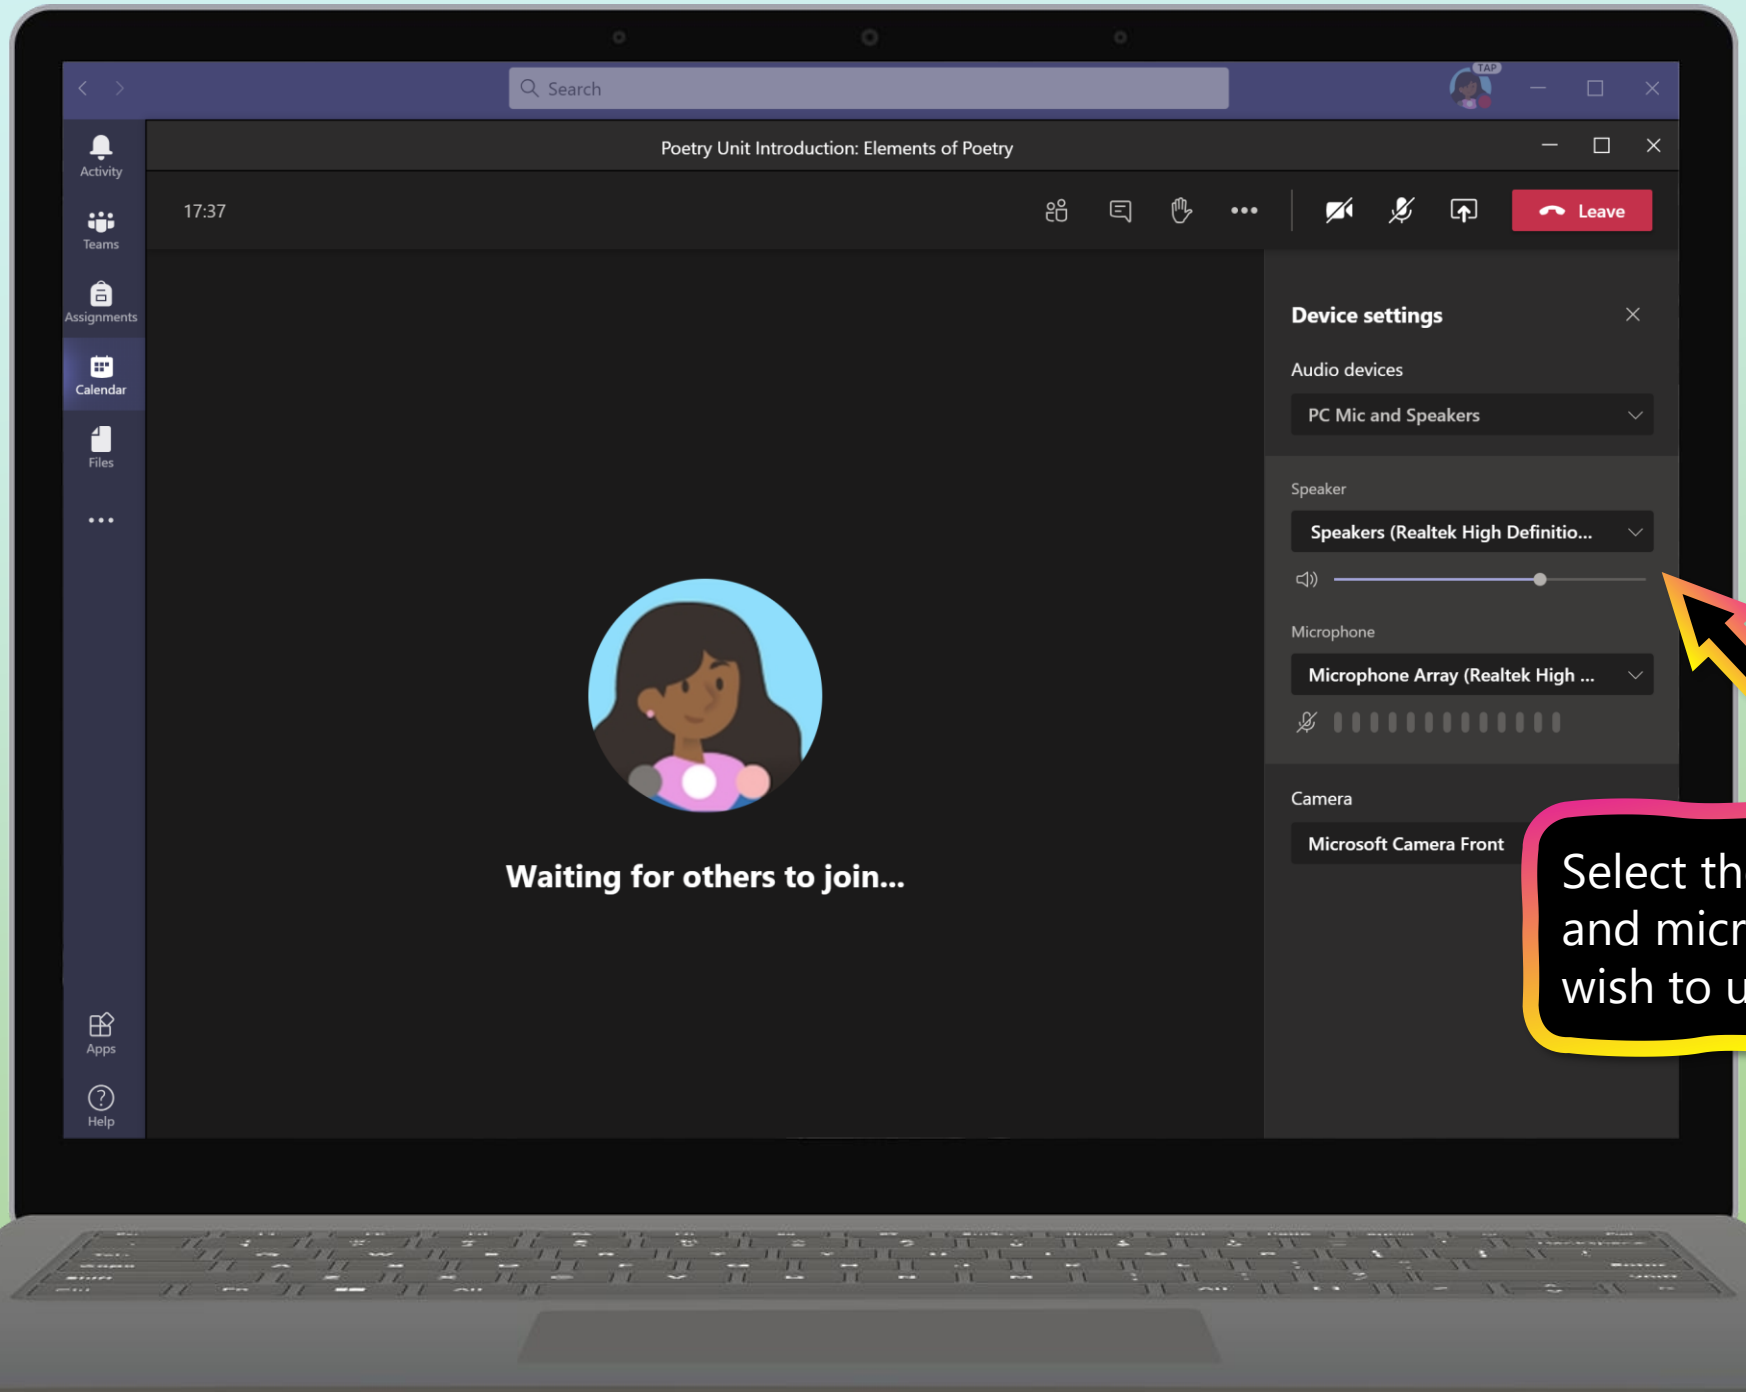

6. Audio troubleshooting: The teacher can't hear my student, or my student can't hear the teacher.

If people in a class meeting can't hear your student, they might be muted or the microphone setting might be incorrect.

Click the microphone icon to turn the mute button on/off.
