Spring Concert

Guess what, guess what! The 4th and 5th grade students performed in their Spring Concert, hosted by Mrs. Pedersen! The students went back in time to sing some oldies. Some songs that were performed at the concert were, Jukebox Time Machine, Music, Music, Music, Can't Stop the Feeling, Hit the Road Jack, Dancing Queen, and Never Gonna Give You Up. The only sad part of the concert was that there was no gym, but it was worth it!

Welcome to School #8 Mr. Irving.!

Q: Why do you like to be a gym teacher?

A: "So, all my life I've been an athlete and as a kid I was always active, and I thought it would be helpful if I was to give to younger people."

Q: Why do you like sports?

A: "Because I like to compete, I like that it is competitive, and I always like to work with other people and achieve in sports"

Q: How long have you been a gym teacher for?

A: "This is my first year"

Q: Do you enjoy being in School #8?

A: "I guess I do."

Q: Do you like School #6 or #8 better?

A: "So, I like School #8 and School #6 equally because I'm a big believer in environments. Both schools have great environments and staff are very respectful and helpful. And the kids are equal and they're all good to me."

Q: What is your favorite sport?

A: "My favorite sport is football."

Q: Do you feel confident about what you teach?

A: "Yeah I feel confident."

Q: What do you like most about being a gym teacher?

A: "I like to see kids have fun, but at the same time be active and healthy."

School #8 Field Day 2023

5th Grade L.E.A.D Graduation

Multicultural Night

The fifth grade held a Multicultural night, where Visitors were able to get their student made passports stamped after visiting each country! Students spoke about their country and shared information about their cultures. Some even brought in some food from their cultures. It was a great night to learn about all the diversity we have in the building.

Animal of the Month

Axolotls

By: Safa K.

Have you heard about axolotls? Well, if you have, in this article you will learn a lot of things about those animals.

So, let's learn about how they reproduce. Do they lay eggs? Yep, they do. Plus, guess what? Females lay eggs after 12 to 20 hours of mating! That's too fast!

What do they love to eat? Axolotls like to eat crustaceans, mollusks, insect larva, worms, and sometimes small fish. They eat a lot of things.

Where can they be found? Axolotls can be found in Lake Xochimilco in the Valley of Mexico, as well as the canals and waterways of Mexico City. There's nowhere else that they can be found.

Hope you had fun and found out a lot of information. If you are interested and want to learn more, search on GOOGLE! There are many websites can be helpful too!

Riddle Answers:
